

The Public Health Digital Library

Resources

236 e-journal (see title list below) titles offering full-text articles from:

American Thoracic Society	3
American Society for Nutrition	3
Annual Reviews	9
ASABE American Society of Agricultural Biological Engineering	4
ASM American Society of Microbiology	13
BMJ Titles	7
Cambridge University Press	4
Elsevier	21
Mary Anne Liebert	20
Nature	8
Ovid/Lippincott	8
Oxford University Press	29
Sage	22
Springer	22
Taylor & Francis	6
University of Chicago	4
Wiley Wolters Kluwer	36
Single Titles	13
Government Titles	4

Over 50 e-books available through STAT!Ref (see title list below)

Cochrane Library for systematic reviews

CABI's Global Health Database for international coverage of reports, proceedings and grey literature encompassing environment, ecology, food safety, social science and psychology.

EndNote citation management software for information management practice.

Article delivery service for material not held by the PHDL.
